

# DOGEXFI whitepaper

## Abstract

DOGEXFI is more than a memecoin; it is the embodiment of limitless ambition and intergalactic exploration. Inspired by the infinite possibilities of the cosmos, DOGEXFI aims to redefine what a memecoin can achieve by combining innovative tokenomics, a passionate community, and a vision that extends beyond the ordinary.

## Introduction

### The Memecoin Revolution

Memecoins have demonstrated the power of community-driven innovation in the cryptocurrency space. DOGEXFI leverages this momentum, not only to entertain but also to create tangible value and opportunities for its holders.

### Our Mission

DOGEXFI is designed to become the ultimate space-themed cryptocurrency, pushing the boundaries of what's possible in the crypto universe.

## Tokenomics

### Token Distribution

- **Liquidity (PancakeSwap):** 60% (6,000,000,000 \$DOGEXFI)
- **Development & Marketing:** 30% (3,000,000,000 \$DOGEXFI)
- **Future Reserves:** 10% (1,000,000,000 \$DOGEXFI)

### Transaction Fees

- **Burn Rate:** 2% of each transaction is burned to reduce total supply over time.
- **Rewards:** 2% of each transaction goes to the creator wallet, incentivizing development and growth.

### Total Supply

10,000,000,000 \$DOGEXFI

## Roadmap
